

December 2019

Dear Parents:

Arts Place, Inc. is excited to continue offering an acoustic guitar program in Blackford County. We would like to welcome 4th, 5th, and 6th graders interested in taking weekly group guitar lessons. Each student will have access to an acoustic guitar (if they do not already have one) during the lesson. Students have the opportunity to borrow a guitar to practice on at home. Families will be able to pick these up at the first lesson.

We hope that you will take advantage of this great and low-cost educational opportunity that could impact your child for the rest of their life. **Thank you** for letting us introduce you to this opportunity, if you have any questions, please direct them to Amy Day, Blackford County Arts Center Director at 765-348-4154.
